

To: East High Community  
From: Distinguished Alumni Committee

We're gathering nominations for this year's Distinguished Alumni Recognition and would love your recommendations. As we've done in the past, we will honor outstanding East High graduates who have made significant contributions in their fields of work and/or their communities.

The Distinguished Alumni Recognition is a great opportunity for everyone involved—from the students and staff who get to hear the stories of the alumni to the alums themselves, who get the chance to reconnect with their high-school community.

If you have nominees for this honor, please complete the attached nomination form. We prefer individuals who have been out of high school for at least ten years. If you previously nominated someone who has not been recognized, please consider nominating that person again. Listed below are previously recognized Distinguished Alumni.

Completed nominations are due to the Distinguished Alumni Committee (Roxi Sattler) by Dec. 19, 2008.

Thank you for your input,

Jane Holt, Colleen Ogden, and Roxi Sattler  
Distinguished Alumni Committee
